

REMARKS**Specification:**

The Examiner has objected to the title of the invention as being non-descriptive thereof. Accordingly, a new, descriptive title is presented in amendment.

Claim Objections and Rejections:

Applicant notes with pleasure that Claims 22,24-33,37,44,46-50, and 52-58 are allowed. Accordingly, all other claims are cancelled, making response to the various objections and rejections moot.

Applicant respectfully requests expedited issuance of a formal Notice of Allowability for all allowed claims.

Respectfully submitted,

Dated: 2/14/07
